

# Fresh Water Creek Farm Tours

---

## Jeep Tour

Discover the farm's beauty from a yellow Jeep, covering teak and mahogany forests, papaya, coconut, and pineapple fields. You'll see the hydro lakes, visit the powerhouse with its solar and battery systems, and pass by the lumber mill and drying buildings. The tour also takes you over mountain trails to the river park along Fresh Water Creek, where you'll encounter sheep, cattle, and horses. Check in at the front desk for a map and tour details.

## Bicycle Tour

Explore the farm at your own pace with a bicycle rental. Ride through teak and mahogany forests, fields of papaya, coconut, and pineapples, and pass by the farm's hydro lakes. You'll also get to experience the beauty of Fresh Water Creek. Bikes are available at the front desk with a map to guide you along the trails.
